THIS CERTIFIES THAT

Food Packaging Bag

PE flexible - Pouch

Xiamen Threestone Packing Material Co.,Ltd.

Xiamen Threestone Packing Material Co.,Ltd.
117 Siming Yuan, Tong'an Industrial Zone - 361110 - Xiamen - China

The product and equivalent products listed in Annex I were assessed and certified according to RecyClass Recyclability Methodology (3.1 - August 2025) and Design for Recycling Guidelines (March 2026), in line with EN 13430 for the entire European market*. The conformity assessment focuses on the evaluation of the design for collection, sorting and Recycling of Audited Packaging, hereby obtaining the following recyclability class:

95.16%

RECYCLABLE PLASTIC CONTENT

The value represents the proportion of plastic in the packaging that is recoverable and valuable for the recycling stream.
